

COMMERCIAL JUICE PRESSES

Olympus™ and Jupiter™

97302

97336

The highly efficient 3 pinion design exerts maximum pressure with minimal effort. Large opening between base legs allows for larger containers to be used for juice collection for more efficient operation. Wide base design for greater stability. 18-8 stainless steel perforated strainer cone and funnel cup remove for easy cleaning. Rubberized handle stop provides quiet operation. Each unit packed in a full color trilingual box.

- **Durability:** Constructed of ultra-strong cast iron
- **Finish:** Enamel coating resists citrus acids, pitting & corrosion
- **Ergonomic:** Sure grip rubber handles are easy to hold & use
- **Stability:** Wide base and rubber suction cup feet for safe operation
- **Color Choices:** Available in black or white to match any décor
